Native Bolt Polarized Reflex \$120

Features:

- Larger fit
- Self-adjusting nose pads
- Vented
- Weigh less than one ounce

Upside: Very light weight. You almost forget you have them on. Lifetime warranty.

7Eye Vortex \$99

Features:

- SPF75 model which features a foam-lined air dam which helps block irritants
- Re-ACT (Amplified Color Technology) lenses
- Medium-large fit

Upside: Air dam performs well when windy to help eliminate dust and debris.

Downside: Glasses tend to slide off the nose when perspiring. Problem can be alleviated with the use of a strap.
