TIFOSI VOGEL, \$40

These funky, wide-lens glasses are contoured to your face to protect against dust and dirt. Available in feminine colors, they are impact-resistant and have a bendable, adjustable nosepiece for comfort and fit. [tifosioptics.com](http://tifosioptics.com)

These biking-inspired frames include a temple piece that's designed to be helmet-compatible. Lenses are available in both polarized or photochromatic, which tints darker as the light gets brighter and fades to clear when indoors. [serfasoptics.com](http://serfasoptics.com)

SERFAS OPTICS FORCE 5, \$50

A snug fit and anatomically correct shape provide protection against wind, debris and dust. An air dam adds extra circulation to keep you cool and comfortable; lenses are fog- and shatter-proof.

7EYE ZEPHYR, \$75 TO \$175

ARINETTE COUNTESS, \$90

Sometimes you just want to look like a girl. These glasses are oversized and retro. They have durable, flexible frames and shatter-proof polycarbonate lenses that offer 100 percent UV protection.

[arnette.com](http://arnette.com)

Innovative mechanics allow you to swap out 14 different lenses with one simple "click" on these women-specific frames. Built-in air vents and temple grips make this a pair of glasses for your every need. [smithoptics.com](http://smithoptics.com)

arnette

NATIVE THROTTLE, \$100

Polarized, interchangeable lenses virtually eliminate glare, while air vents in the frame keep these shades from steaming up. Durable cam hinges quickly snap temple pieces in place on these ultra-lightweight glasses. [nativeeyewear.com](http://nativeeyewear.com)

SMITH OPTICS INTERLOCK WHISPER, \$150
